# Dental SelectHMO Plan for Individuals and Families

## For dental benefits you can smile about!

### Why dental care is important to your overall health...

Consider this: People who suffer from periodontal disease, are twice as likely to have heart disease or a stroke.<sup>1</sup> And there's also research linking poor oral health to diabetes, lung disease and premature births.<sup>2</sup>

Fortunately, regular dental checkups can help detect the early warning signs of certain health-related issues. That's just one reason why it's so important to take good care of your teeth and gums. And the Dental SelectHMO plan\* from Anthem Blue Cross can help make it easy and affordable.

Limited availability in Butte, El Dorado, Imperial, Kern, Madera, Marin, Monterey, San Joaquin, San Luis Obispo, Santa Barbara, Santa Cruz, Solano, Sonoma, Stanislaus, Tulare and Yolo. ### **How the Dental SelectHMO plan works:**

Our Dental SelectHMO plan offers comprehensive coverage that is designed to fit your family's budget. Services must be performed by an Anthem Blue Cross Dental SelectHMO participating dentist in order to be covered. Benefits are immediately available for most services and you won't have to meet any deductibles.

Each time you visit a participating dentist, you'll pay a low \$5 office visit fee and a set copayment for some procedures. Once you pay the \$5 office visit fee, most diagnostic and preventive services (such as cleanings, exams and X-rays) are covered in full.

## Dental SelectHMO benefits at a glance...

The charts on the next page show copayment amounts for some of the more common services available under the Dental SelectHMO plan.

Take advantage of the plan's many features, including no deductibles and no annual maximums. And people of any age may apply!
